In attendance on Zoom: Lisa Vuola, Erin Waer, Renee Alvarez, Leisa Bingham, Sarah Coy, Tanisha Laret, Jamie McLaughlin, Scott Moore, Laurel Rosa, Brittany Sedley, and Danny Tovar.

Quorum established for SSC.

Tanisha moved to approve the agendas, and Laurel 2<sup>nd</sup>. Agenda was approved.

No public comments or unfinished business at this time.

Tanisha moved to approve minutes from SSC meetings, followed by Sarah 2<sup>nd</sup>. Minutes were approved as written.

Mrs. Vuola proceeded to go over School Accountability Measures: There are no previous year state assessments for comparison. Boris will continue to utilize Benchmark, and district assessments as their data points for the current and upcoming school years. There are no CLASSI results to review at this time.

Mrs. Waer advised of modified SBAC testing for the current school year. Mrs. Waer reviewed the School Safety Plan, and how it directly correlates to the needs of Boris. Mrs. Waer added COVID protocols are itemized under a separate document. Mrs. Vuola issued a reminder that for apparent safety reasons, the School Safety Plan is not for public viewing.

Renee moved to approve the School Safety Plan, and Scott 2<sup>nd</sup>. School Safety Plan was approved as written.

Mrs. Vuola presented the Single Plan for Student Achievement (SPSA), its objectives, and noted that no changes were made. Mrs. Vuola went over the goals for math, ELA, and science for the current and previous year. With the lack of scores from the previous year, the current year's goal focus is growth. SPSA will go to CUSD Board for approval on be either January 20 or January 27.

Mrs. Vuola presented and discussed the following: the Annual 2019-2020 Evaluation and Monitoring Report Results, the Categorical Budget, and Local Educational Agency Plan. No changes were made to the above documents. Changes due to COVID are listed separately.

Scott questioned if LEAP document was considered in regards to COVID. More specifically, as it pertains to the lack of control teachers have on the learning environments of our students. Mrs. Vuola advised that if a virtual option continues post-COVID, it would likely not be offered through individual school sites. Mrs. Waer discussed various options available to teachers of students faced with less than ideal learning environments.

Scott inquired about the similarities between data acquired by iReady and SBAC, in hopes of encouraging students by showing their growth. Mrs. Waer reports that other sites are

indicating quite a correlation. We are awaiting the determination of how SBAC will be administered and its logistic.

Danny moved to approve SPSA and Brittany 2<sup>nd</sup>. SPSA approved as written.

Danny asked how students are currently doing compared to where they would be, if they had stayed in the classroom. Scott provided instances that would support the notion that the majority is receiving what they need from his own teacher and parent perspectives.

Mrs. Vuola gave DAC and DLAC reports from the District Meeting. We currently do not have a parent representative for either position, however, Mrs. Vuola is actively looking to fill said positions. Topics discussed at the informational parent meeting: Career and technical education, learning continuity, and attendance plans due to COVID. In order to best assist our EL students, a needs assessment will be discussed at our next meeting.

No public comment or questions at this time.

Mrs. Waer shared that a communication from the District will be going out today in regards to returning to campus and its timeline. The District is monitoring the COVID situation in our area and has multiple contingency plans that we may need to pivot between at any given time. As of now, we are awaiting the District's plan on December 16. At which point families would be able to make necessary adjustments, if necessary. Mrs. Waer is keeping the teachers as updated as possible.

Danny informed the committee of the postponement of the Charger Lights Parade due to the San Joaquin Regional Stay at Home Order. We look forward to bringing the Charger Community together once it has been deemed safe. Mrs. Waer expressed her appreciation for the PTC and all that they do.

There was no further discussion or public input.

Mrs. Vuola adjourned the meeting at 3:41 p.m.

Respectfully submitted by
